

SHRED-IT to Safely Dispose of Personal Documents

Sanitary District No. 1 Community Update

www.sanitarydistrict1.com

516-239-5600

With identity theft on the rise, **Sanitary District #1** Board of Commissioners James J. Vilardi, Frank Argento, Harry Beltrani, Irving Kaminetsky and Lino Viola, along with Superintendent George Pappas would like to invite residents to dispose of confidential information in a controlled environment.

The District will have a high-capacity Shredder Truck onsite to permanently dispose of any private business and personal information, bank statements, pay stubs and tax returns. We have partnered with **GreenChip** to safely recycle any unwanted electronics and dispose of e-waste.

Sunday, April 22nd at 9 am to 1 pm

2 Bay Blvd, Lawrence, NY 11559
